

B/B Washout Ligand

Catalog No(s).

635088

Amount500 μ l**Lot Number**

Specified on product label.

Description

B/B Washout Ligand is a membrane-permeant ligand that dissociates protein interactions induced by the B/B Homodimerizer, which is provided in each of the iDimerize™ Inducible Homodimer Systems (Cat. Nos. 635068, 635072, 635084 and 635086). The B/B Washout Ligand dissociates these interactions with a $T_{1/2}$ of ~10 minutes after adding it to target cells treated with B/B Homodimerizer.

Package Contents

- 500 μ l B/B Washout Ligand (0.5 mM)

Storage Conditions

- Store at -20°C

Shelf Life

- 1 year from date of receipt under proper storage conditions.

Shipping Conditions

- Dry ice (-70°C)

Product Documents

Documents for Clontech products are available for download at www.clontech.com/manuals

The following documents apply to this product:

- iDimerize Inducible Homodimer System User Manual (PT5178-1)
- Lenti-X™ iDimerize Inducible Homodimer System User Manual
- iDimerize Inducible Homodimer System (with Tet-On® 3G) User Manual
- Lenti-X iDimerize Inducible Homodimer System (with Tet-On 3G) User Manual

Quality Control Data

The identity of each lot of B/B Washout Ligand was determined by mass spectroscopy and purity was determined to be >90% by HPLC.

NOTICE TO PURCHASER:

Clontech products are to be used for research purposes only. They may not be used for any other purpose, including, but not limited to, use in drugs, in vitro diagnostic purposes, therapeutics, or in humans. Clontech products may not be transferred to third parties, resold, modified for resale, or used to manufacture commercial products or to provide a service to third parties without prior written approval of Clontech Laboratories, Inc.

Your use of this product is also subject to compliance with the licensing requirements listed below and described on the product's web page at <http://www.clontech.com>. It is your responsibility to review, understand and adhere to any restrictions imposed by these statements.

STATEMENT 57

This product is covered by U.S. Patent No. 8,173,792.

STATEMENT 99

iDimerize and Shield1 Technologies: This product is sold under license from ARIAD Pharmaceuticals, Inc. for use only in internal research conducted by the buyer, which license expressly excludes the right to sell or otherwise transfer the product to third parties and is expressly made subject to compliance with Clontech Laboratories, Inc.'s general Terms and Conditions of Sale and any other restrictions set forth on the product's web page. No right is given to use this product or its components for any other purpose including, but not limited to diagnostic, therapeutic and/or prophylactic applications for or in human beings, animals and/or plants, including but not limited to gene and cell therapy applications, whether in vitro, ex vivo or in vivo, in foods, drugs, devices or cosmetics of any kind, or for consumption by or use in connection with or administration or application to humans or veterinary treatment of animals, or to provide any services, including research services, to third parties. For information regarding licenses for uses other than internal research, please contact a licensing representative by phone at 650.919.7320 or by e-mail at licensing@clontech.com
