

Product Components List

SMARTer® Universal Low Input RNA Kit for Sequencing

Catalog Nos.	Amount
634938	10 rxns
634940	25 rxns

Description

The SMARTer Universal Low Input RNA Kit for Sequencing contains the components needed to synthesize high-quality cDNA from as little as 200 pg of RNA and includes the Advantage® 2 PCR Kit for PCR amplification and validation. The kit utilizes both SMART™ technology and random priming and has been designed and validated to prepare cDNA samples for sequencing and quantification with next-generation sequencing platforms. While SMART technology offers unparalleled sensitivity and unbiased amplification of cDNA transcripts, random (universal) priming allows for amplification of damaged RNA and maintains the true representation of the original mRNA transcripts. Both factors are critical for transcriptome sequencing and gene expression analysis.

Package Contents

Cat. No. 634938 (10 rxns):

- SMARTer Universal Low Input RNA Kit Components (Cat. No. 634939; Not sold separately) [>> View Components](#)
- Advantage 2 PCR Kit (Cat. No. 639207) [>> View Components](#)

Cat. No. 634940 (25 rxns):

- SMARTer Universal Low Input RNA Kit Components (Cat. No. 634941; Not sold separately) [>> View Components](#)
- 2 x Advantage 2 PCR Kit (Cat. No. 639207) [>> View Components](#)

For storage conditions, please see the Certificate of Analysis supplied with each component.

Product Documents

Documents for our products are available for download at takarabio.com/manuals

The following documents apply to this product:

- SMARTer Universal Low Input RNA Kit for Sequencing User Manual
- Advantage 2 PCR Enzyme System User Manual
- Advantage 2 PCR Kit Protocol-At-A-Glance

Notice to Purchaser

Our products are to be used for **Research Use Only**. They may not be used for any other purpose, including, but not limited to, use in humans, therapeutic or diagnostic use, or commercial use of any kind. Our products may not be transferred to third parties, resold, modified for resale, or used to manufacture commercial products or to provide a service to third parties without our prior written approval.

Your use of this product is also subject to compliance with any applicable licensing requirements described on the product's web page at takarabio.com. It is your responsibility to review, understand and adhere to any restrictions imposed by such statements
