# **Safety Data Sheet**

Revision Date 2025-01-17

Γονορο
TakaRa

**Revision Number** 4

# 1. Identification Product identifier Unique Dual Index Kit (1-24) **Product Name** Other means of identification **Product Code** DX34756 Synonyms No information available Recommended use of the chemical and restrictions on use Identified uses For research use only. Not for use in diagnostic procedures **Restrictions on use** No information available Details of the supplier of the safety data sheet Supplier USA: Takara Bio USA, Inc. 2560 Orchard Parkway San Jose, CA 95131, USA Phone: 800.662.2566/888.251.6618 Web: www.takarabio.com

# Emergency telephone number

# Emergency telephone

In case of emergency, call PERS (Professional Emergency Resource Services) 1-800-633-8253 (US) or 801-629-0667 (international).

# 2. Hazard(s) identification

# Product Classification Data

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

# Hazards not otherwise classified (HNOC)

Not applicable

# Label elements

# Hazard statements

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

The product contains no substances which at their given concentration, are considered to be hazardous to health.

Appearance Clear, colorless

Physical state Liquid

Odor Odorless

Other information

No information available.

# 3. Composition/information on ingredients

# Substance

Not applicable.

Mixture

The product contains no substances which at their given concentration, are considered to be hazardous to health. The product contains no substances which at their given concentration, are considered to be hazardous to health.

# 4. First-aid measures Description of first aid measures Inhalation Remove to fresh air. Eye contact Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. Skin contact Wash skin with soap and water. Rinse mouth. Ingestion Most important symptoms and effects, both acute and delayed Symptoms No information available. Indication of any immediate medical attention and special treatment needed Treat symptomatically. Note to physicians 5. Fire-fighting measures **Suitable Extinguishing Media** Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. CAUTION: Use of water spray when fighting fire may be inefficient. Large Fire Unsuitable extinguishing media Do not scatter spilled material with high pressure water streams. Specific hazards arising from the No information available. chemical **Explosion Data** Sensitivity to mechanical impact None.

Sensitivity to static discharge None.

Special protective equipment and precautions for fire-fighters

Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment.

# 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

Personal precautions Ensure adequate ventilation.

# Methods and material for containment and cleaning up

Methods for containment	Prevent further leakage or spillage if safe to do so.
Methods for cleaning up	Pick up and transfer to properly labeled containers.

# 7. Handling and storage

# Precautions for safe handling

Advice on safe handling Handle in accordance with good industrial hygiene and safety practice.

# Conditions for safe storage, including any incompatibilities

**Storage Conditions** Keep container tightly closed in a dry and well-ventilated place.

# 8. Exposure controls/personal protection

# Control parameters

Appropriate engineering controls			
Engineering controls	Showers Eyewash stations Ventilation systems.		
Individual protection measures, such as personal protective equipment			
Eye/face protection	No special protective equipment required.		
Skin and body protection	No special protective equipment required.		
Respiratory protection	No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.		
General hygiene considerations	Handle in accordance with good industrial hygiene and safety practice.		

# 9. Physical and chemical properties

Physical state	Liquid	
Appearance	Clear, colorless	
Color	No information available	
Odor	Odorless	
Odor Threshold	No information available	
odor mreshold	No mornation available	
Property	Values	Remarks • Method
pH	No data available	None known
Melting point / freezing point	No data available	None known
Boiling point/boiling range (°C)	No data available	None known
Flash point	No data available	Open cup
Evaporation Rate	No data available	None known
Flammability (solid, gas)	No data available	None known
Flammability Limit in Air		None known
Upper flammability limit:	No data available	
Lower flammability limit:	No data available	
Vapor pressure	No data available	None known
Vapor density	No data available	None known
Relative density	No data available	None known
Water solubility	No data available	None known
Solubility in other solvents	No data available	None known
Partition coefficient	No data available	None known
Autoignition temperature	No data available	None known
Decomposition temperature		None known
Kinematic viscosity	No data available	None known
Dynamic Viscosity	No data available	None known
Other information		
Explosive properties	No information available	
Oxidizing properties	No information available	
Softening point	No information available	
Molecular weight	No information available	
VOC content	No information available	
Liquid Density	No information available	
Bulk Density	No information available	
	10. Stability and	

Reactivity	No information available.	
Chemical stability	Stable under normal conditions.	
Possibility of hazardous reactions	None under normal processing.	
Conditions to Avoid	None known based on information supplied.	
Incompatible materials	None known based on information supplied.	
Hazardous decomposition products None known based on information supplied.		

# 11. Toxicological information

Information on likely routes of exposure

InhalationSpecific test data for the substance or mixture is not available.Eye contactSpecific test data for the substance or mixture is not available.Skin contactSpecific test data for the substance or mixture is not available.IngestionSpecific test data for the substance or mixture is not available.Symptoms related to the physical-ventical and toxicological characteristicsSymptomsNo information available.Actue toxicityNumerical measures of toxicitySpecific test data for the substance or mixture is not available.Delayed and immediate effects as a choracter facts from short and long-term exposureSkin corrosion/irritationNo information available.No information available.Serious eye damage/eye irritationNo information available.Gern cell mutagenicityNo information available.Reproductive toxicityNo information available.StroT - single exposureNo information available.StroT - repeated exposureNo information available.Strizt - single exposureNo information available.Strizt - singl				
Skin contact   Specific test data for the substance or mixture is not available.     Ingestion   Specific test data for the substance or mixture is not available.     Symptoms related to the physical.   Important of the substance or mixture is not available.     Symptoms   No information available.     Acute toxicity   Important of the substance or mixture is not available.     Numerical measures of toxicity   Important of the State of the Stat	Inhalation	Specific test data for the substance or mixture is not available.		
Ingestion     Specific test data for the substance or mixture is not available.       Symptoms related to the physical. chemical and toxicological characteristics     Symptoms       No information available.     Acute toxicity       Numerical measures of toxicity     The following values are calculated based on chapter 3.1 of the GHS document 99,999.00 mg/kg       Delayed and immediate effects as well as chronic effects from short and long-term exposure.     Skin corrosion/irritation       No information available.     No information available.       Germ cell mutagenicity     No information available.       Germ cell mutagenicity     No information available.       StoT - single exposure     No information available.       STOT - repeated exposure     No information available.       Aspiration hazard     No information available.	Eye contact	Specific test data for the substance or mixture is not available.		
Symptoms related to the physical, chemical and toxicological characteristics     Symptoms   No information available.     Acute toxicity     Numerical measures of toxicity     The following values are calculated based on chapter 3.1 of the GHS document ATEmix (dermal)     99,999.00 mg/kg     Delayed and immediate effects as well as chronic effects from short and long-term exposure.     Skin corrosion/irritation   No information available.     Serious eye damage/eye irritation   No information available.     Germ cell mutagenicity   No information available.     Respiratory or skin sensitization   No information available.     Reproductive toxicity   No information available.     STOT - single exposure   No information available.     STOT - repeated exposure   No information available.     Aspiration hazard   No information available.     Martin available.   No information available.	Skin contact	Specific test data for the substance or mixture is not available.		
Symptoms   No information available.     Acute toxicity   Numerical measures of toxicity     Numerical measures of toxicity   The following values are calculated based on chapter 3.1 of the GHS document and long-term exposure and immediate effects as sure as chronic effects from short and long-term exposure.     Delayed and immediate effects as sure as chronic effects from short and long-term exposure.     Skin corrosion/irritation   No information available.     Serious eye damage/eye irritation   No information available.     Germ cell mutagenicity   No information available.     Carcinogenicity   No information available.     Stot - single exposure   No information available.     Stot - repeated exposure   No information available.     Aspiration hazard   No information available.     Other adverse effects   No information available.	Ingestion	Specific test data for the substance or mixture is not available.		
Acute toxicity     Numerical measures of toxicity     The following values are calculated based on chapter 3.1 of the GHS document ATEmix (dermal)     Delayed and immediate effects as well as chronic effects from short and long-term exposure     Skin corrosion/irritation   No information available.     Serious eye damage/eye irritation   No information available.     Germ cell mutagenicity   No information available.     Carcinogenicity   No information available.     Reproductive toxicity   No information available.     STOT - single exposure   No information available.     STOT - repeated exposure   No information available.     Aspiration hazard   No information available.     No information available.   No information available.	Symptoms related to the physical, o	chemical and toxicological characteristics		
Numerical measures of toxicity     The following values are calculated based on chapter 3.1 of the GHS document ATEmix (dermal)     pelayed and immediate effects as well as chronic effects from short and long-term exposure     Skin corrosion/irritation   No information available.     Serious eye damage/eye irritation   No information available.     Germ cell mutagenicity   No information available.     Carcinogenicity   No information available.     StoT - single exposure   No information available.     STOT - repeated exposure   No information available.     Aspiration hazard   No information available.     No information available.   No information available.	Symptoms	No information available.		
The following values are calculated based on chapter 3.1 of the GHS document     ATEmix (dermal)   99,999.00 mg/kg     Delayed and immediate effects as well as chronic effects from short and long-term exposure	Acute toxicity			
ATEmix (dermal)99,999.00 mg/kgDelayed and immediate effects as well as chronic effects from short and long-term exposureSkin corrosion/irritationNo information available.Serious eye damage/eye irritationNo information available.Respiratory or skin sensitizationNo information available.Germ cell mutagenicityNo information available.Reproductive toxicityNo information available.STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Numerical measures of toxicity

Serious eye damage/eye irritationNo information available.Respiratory or skin sensitizationNo information available.Germ cell mutagenicityNo information available.CarcinogenicityNo information available.Reproductive toxicityNo information available.STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.No information available.No information available.	Delayed and immediate effects as w	vell as chronic effects from short and long-term exposure		
Respiratory or skin sensitizationNo information available.Germ cell mutagenicityNo information available.CarcinogenicityNo information available.Reproductive toxicityNo information available.STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Skin corrosion/irritation	No information available.		
Germ cell mutagenicityNo information available.CarcinogenicityNo information available.Reproductive toxicityNo information available.STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Serious eye damage/eye irritation	No information available.		
CarcinogenicityNo information available.Reproductive toxicityNo information available.STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Respiratory or skin sensitization	No information available.		
Reproductive toxicityNo information available.STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Germ cell mutagenicity	No information available.		
STOT - single exposureNo information available.STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Carcinogenicity	No information available.		
STOT - repeated exposureNo information available.Aspiration hazardNo information available.Other adverse effectsNo information available.	Reproductive toxicity	No information available.		
Aspiration hazardNo information available.Other adverse effectsNo information available.	STOT - single exposure	No information available.		
Other adverse effects No information available.	STOT - repeated exposure	No information available.		
	Aspiration hazard	No information available.		
Interactive effects No information available.	Other adverse effects	No information available.		
	Interactive effects	No information available.		
12. Ecological information				

Ecotoxicity

The environmental impact of this product has not been fully investigated.

Persistence and degradability	No information available.

Bioaccumulation	There is no data for this product.

# Other adverse effects No information available.

# 13. Disposal considerations

# Waste treatment methods

Waste from residues/unused products	Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.
Contaminated packaging	Do not reuse empty containers.

# 14. Transport information

DOT

Not regulated

-

# 15. Regulatory information

# International Inventories

### TSCA

\*Contact supplier for details. One or more substances in this product are either not listed on the US TSCA inventory, listed on the confidential US TSCA inventory or are otherwise exempted from inventory listing requirements

Legend:

TSCA - United States Toxic Substances Control Act Section 8(b) Inventory
DSL/NDSL - Canadian Domestic Substances List/Non-Domestic Substances List
EINECS/ELINCS - European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances

IECSC - China Inventory of Existing Chemical Substances
KECL - Korean Existing Chemicals Inventory
PICCS - Philippines Inventory of Chemicals and Chemical Substances

AICS - Australian Inventory of Chemical Substances

# US Federal Regulations

# <u>SARA 313</u>

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

### SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

# CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

# US State Regulations

### **California Proposition 65**

This product does not contain any Proposition 65 chemicals.

### U.S. State Right-to-Know Regulations

This product does not contain any substances regulated under applicable state right-to-know regulations

# U.S. EPA Label Information

### EPA Pesticide Registration Number Not applicable
