# Safety Data Sheet

Revision Date 2021-02-06

|   | 1. Identification        |  |
|---|--------------------------|--|
| Product identifier                                      |                          |  |
| Product Name  | Control F-1 Primer       |  |
| Other means of identification                           | <u>n</u>                 |  |
| Product Code  | SD2052                   |  |
| Synonyms  | No information available |  |
| Recommended use of the chemical and restrictions on use |                          |  |
| Identified uses   | No information available |  |
| Restrictions on use                                     | No information available |  |
| Details of the supplier of the safety data sheet        |                          |  |
| Cumpling  |                          |  |

Supplier USA: Takara Bio USA, Inc. 1290 Terra Bella Avenue Mountain View, CA 94043 Phone: 800.662.2566/888.251.6618 Web: www.takarabio.com

### Emergency telephone number

**Emergency telephone** 

In case of emergency, call PERS (Professional Emergency Resource Services) 1-800-633-8253 (US) or 801-629-0667 (international).

### 2. Hazard(s) identification

### Classification

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

### Hazards not otherwise classified (HNOC)

Not applicable

### Label elements

### Hazard statements

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

The product contains no substances which at their given concentration, are considered to be hazardous to health.

Appearance Clear, colorless

Physical state Liquid

Odor Odorless

Revision Number 5

# TakaRa

### Other information

No information available.

# 3. Composition/information on ingredients

### Substance

Not applicable.

Mixture

The product contains no substances which at their given concentration, are considered to be hazardous to health

### 4. First-aid measures

### **Description of first aid measures**

| Inhalation   | Remove to fresh air.   |  |
|--|--|--|
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |  |
| Skin contact   | Wash skin with soap and water.   |  |
| Ingestion  | Clean mouth with water and drink afterwards plenty of water.   |  |
| Most important symptoms and effects, both acute and delayed                |  |  |
| Symptoms   | No information available.  |  |
| Indication of any immediate medical attention and special treatment needed |  |  |
| Note to physicians   | Treat symptomatically.   |  |

# 5. Fire-fighting measures

| Suitable Extinguishing Media                             | Use extinguishing measures that are appropriate to local circumstances and the<br>surrounding environment.                         |  |
|--|--|--|
| Large Fire   | CAUTION: Use of water spray when fighting fire may be inefficient.   |  |
| Unsuitable extinguishing media                           | Do not scatter spilled material with high pressure water streams.  |  |
| Specific hazards arising from the chemical               | No information available.  |  |
| Explosion Data<br>Sensitivity to mechanical impact None. |  |  |
| Sensitivity to static discharge                          | None.  |  |
| Special protective equipment for<br>fire-fighters        | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment. |  |

| 6. Accidental release measures           |  |  |
|--|--|--|
| Personal precautions, protective         | equipment and emergency procedures                                     |  |
| Personal precautions                     | precautions Ensure adequate ventilation.                               |  |
|  |  |  |
| Methods and material for contain         | nent and cleaning up   |  |
| Methods for containment                  | Prevent further leakage or spillage if safe to do so.                  |  |
| Methods for cleaning up                  | Pick up and transfer to properly labeled containers.                   |  |
|  |  |  |
|  |  |  |
|  | 7. Handling and storage  |  |
| Precautions for safe handling            |  |  |
| Advice on safe handling                  | Handle in accordance with good industrial hygiene and safety practice. |  |
| Conditions for safe storage, inclue      | ding any incompatibilities   |  |
| Storage Conditions                       | Keep container tightly closed in a dry and well-ventilated place.      |  |
|  |  |  |
| 8. Exposure controls/personal protection |  |  |
| Control parameters                       |  |  |
|  |  |  |

| Appropriate engineering controls                                      |  |  |
|---|--|--|
| Engineering controls  | Showers<br>Eyewash stations<br>Ventilation systems.  |  |
| Individual protection measures, such as personal protective equipment |  |  |
| Eye/face protection   | No special protective equipment required.  |  |
|   |  |  |
| Skin and body protection  | No special protective equipment required.  |  |
| Respiratory protection  | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required. |  |
| General hygiene considerations  | Handle in accordance with good industrial hygiene and safety practice.   |  |

# 9. Physical and chemical properties

| Information on basic physical and chemical properties |                  |  |
|---|------------------|--|
| Physical state Liquid                                 |                  |  |
| Appearance  | Clear, colorless |  |
| Color   | Clear            |  |

| Odor                             | Odorless                 |                  |
|----------------------------------|--------------------------|------------------|
| Odor Threshold                   | No information available |                  |
| Property                         | Values                   | Remarks • Method |
| pH                               |                          | None known       |
| Melting point / freezing point   | No data available        | None known       |
| Boiling point/boiling range (°C) | No data available        | None known       |
| Flash point                      | No data available        | Open cup         |
| Evaporation Rate                 | no data available        | None known       |
| Flammability (solid, gas)        | no data available        | None known       |
| Flammability Limit in Air        |                          | None known       |
| Upper flammability limit:        | No data available        |                  |
| Lower flammability limit:        | No data available        |                  |
| Vapor pressure                   | no data available        | None known       |
| Vapor density                    | No data available        | None known       |
| Relative density                 |                          | None known       |
| Water solubility                 | No data available        | None known       |
| Solubility in other solvents     | no data available        | None known       |
| Partition coefficient            | no data available        | None known       |
| Autoignition temperature         | No data available        | None known       |
| Decomposition temperature        |                          | None known       |
| Kinematic viscosity              | No data available        | None known       |
| Dynamic Viscosity                | no data available        | None known       |
| Other information                |                          |                  |
| Explosive properties             | No information available |                  |
| Oxidizing properties             | No information available |                  |
| Softening point                  | No information available |                  |
| Molecular Weight                 | No information available |                  |
| VOC Content (%)                  | No information available |                  |
| Liquid Density                   | No information available |                  |
| Bulk Density                     | No information available |                  |

## 10. Stability and reactivity

| Reactivity                         | No information available.                 |
|------------------------------------|---|
| Chemical stability                 | Stable under normal conditions.           |
| Possibility of hazardous reactions | None under normal processing.             |
| Conditions to Avoid                | None known based on information supplied. |
| Incompatible materials             | None known based on information supplied. |
|                                    |   |

Hazardous decomposition products None known based on information supplied.

# 11. Toxicological information

### Information on likely routes of exposure

| Specific test data for the substance or mixture is not available. |
|---|
| Specific test data for the substance or mixture is not available. |
| Specific test data for the substance or mixture is not available. |
| Specific test data for the substance or mixture is not available. |
|   |

Symptoms related to the physical, chemical and toxicological characteristics

### SD2052 - Control F-1 Primer

### Symptoms

No information available.

Acute toxicity

Numerical measures of toxicity

| Delayed and immediate effects as well as chronic effects from short and long-term exposure |   |  |
|--|---|--|
| Skin corrosion/irritation  | No information available.   |  |
| Serious eye damage/eye irritation  | No information available.   |  |
| Respiratory or skin sensitization  | No information available.   |  |
| Germ cell mutagenicity   | No information available.   |  |
| Carcinogenicity  | No information available.   |  |
| Reproductive toxicity  | No information available.   |  |
| STOT - single exposure   | No information available.   |  |
| STOT - repeated exposure   | No information available.   |  |
| Aspiration hazard  | No information available.   |  |
| Other adverse effects  | No information available.   |  |
| Interactive effects  | No information available.   |  |
|  | 12. Ecological information  |  |
| Ecotoxicity  | The environmental impact of this product has not been fully investigated. |  |
| Persistence and degradability  | No information available.   |  |
| Bioaccumulation  | There is no data for this product.  |  |
| Other adverse effects  | No information available.   |  |
|  |   |  |

# 13. Disposal considerations

### Waste treatment methods

| Waste from residues/unused<br>products | Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation. |
|--|---|
| Contaminated packaging                 | Do not reuse empty containers.  |

### 14. Transport information

|            | 15. Regulatory information |
|------------|----------------------------|
| ADN        | Not regulated              |
| ADR        | Not regulated              |
| RID        | Not regulated              |
| IMDG       | Not regulated              |
| IATA       | Not regulated              |
| ICAO (air) | Not regulated              |
| MEX        | Not regulated              |
| TDG        | Not regulated              |
| DOT        | Not regulated              |

### International Inventories

#### TSCA

\*Contact supplier for details. One or more substances in this product are either not listed on the US TSCA inventory, listed on the confidential US TSCA inventory or are otherwise exempted from inventory listing requirements

### US Federal Regulations

### <u>SARA 313</u>

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

### SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

### CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

### <u>CERCLA</u>

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

### US State Regulations

### California Proposition 65

This product does not contain any Proposition 65 chemicals.

### U.S. State Right-to-Know Regulations

This product does not contain any substances regulated under applicable state right-to-know regulations

### U.S. EPA Label Information

### EPA Pesticide Registration Number Not applicable
